Double Door with Two Sidelites

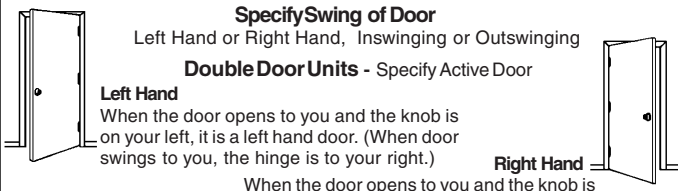

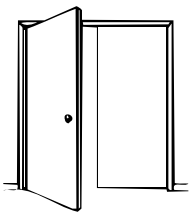

## Determining the Swing of Your Unit

**Specify Swing of Door**  
Left Hand or Right Hand, Inswinging or Outswinging

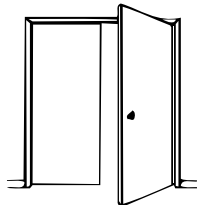

**Double Door Units - Specify Active Door**

**Left Hand**  
When the door opens to you and the knob is on your left, it is a left hand door. (When door swings to you, the hinge is to your right.)

**Right Hand**  
When the door opens to you and the knob is on your right, it is a right hand door. (When door swings to you, the hinge is to your left.)

Double Door Unit,  
Right Hand Active

Double Door Unit,  
Left Hand Active
